Today's Program.....

We got a bird's eye view of Zingerman's, a nationally-known restaurant which offers more than just delicious deli food. Amy Emberling, who also works with Zingerman's Bakehouse and Zingerman's Community of Businesses, was introduced by Alan Caldwell. She explained that the business is celebrating its 20th anniversary. The other businesses include the Creamery, the Bakehouse, the coffee department and the mail order department. There are eighteen partners in the business. Zingerman's plans to stay in Ann Arbor and emphasizes three Bottom Lines: They are Great Food, Great Service and Great People. Amy noted that the company's Visioning features a positive view of future needs characterized by inspiring, strategically sound, documented, and committed endeavors.
